

Summer Reading Program Story Time at the Onawa Public Library

Dear Parents and Summer Readers:

School is ending soon and involving your child/children in the Summer Reading Program is an excellent way to promote reading for pleasure and help them maintain their reading skills during their summer vacation.

Our goal will be to share our love of reading, develop positive attitudes about reading, and encourage regular use of the library and its services.

This year we are adding a Story Time during our normal program time. We have seen so many sad faces over the years because someone is just a little too young. Our Board of Trustee President and Preschool teacher, Jessica Hupke, will host our story time for those children that are preschool age and younger (Children age 2 and under must be accompanied by a guardian).

Our first program will be at the library on June 7th in the Kids' Room. We will then have programs at the library every other Wednesday during June and July and a final program in August from 9:30 – 10:30 AM. Be sure to check the calendar for start times for the programs. The programs last approximately one hour.

HOW THE PROGRAM WORKS
