## A festive holiday gift basket is the central focus, brimming with an assortment of packaged treats. A large, shimmering gold bow is tied around the front of the basket. A nutcracker figurine, dressed in a red and green uniform with a gold crown, stands prominently in the center. The basket contains several boxes and bags of food: a box of 'Monet' Wheat Entenman's crackers, a box of 'Peppermint Bark Bars', a box of 'Gullón' Chocolate Maria cookies, a box of 'Holiday C' cookies, and a bag of 'Peppermint Bark Bars'. A small box of 'Nutella' is also visible. The basket is decorated with gold and red tinsel. In the background, a Christmas tree with warm white lights and blue and gold ornaments is visible, along with bookshelves filled with books. A wooden dining table and chairs are partially visible on the left.
