JOIN OUR FRIENDS!

This is just some of what we do! Join the Friends and help us make the magic happen!

Sponsorship of kids' programs promotes learning, reading, & fun at the library

Newspapers provide expanded coverage of issues

Large Print and Audio Books benefit the elderly and vision impaired

By matching grants or paying the cost of presenters, The Friends assist in programs being NO COST or minimal cost to attendees. In 2025/2026, we had a program and workshops by a Certified Bob Ross Instructor, several journeys into the past, and several authors! Funds from The Friends also contributed to the 1000 Books Before Kindergarten Program and a large program for the elementary school as well as garden area upkeeps, new signs, and continue Ancestry Library Edition and digitizing our yearbooks and microfilm!

Our group has quarterly meetings at the library. We would love to have your input at these meetings. Feel free to join us and bring a friend!! We hope that you're as passionate about our libraries as we are.
