Starting

Kids are welcome to come to the library and use our STEAM kits during regular library hours as long as they are following library rules

**Bus #24 (GREEN Bus) will drop the kids off at the library. Your child must have a note to ride the bus every time they are to come to the library! This is for their safety to ensure they are where they are supposed to be! It is your responsibility to ensure your child knows how to get home after the program.**

All school age kids are welcome! Preregistration is not required at this time but please ensure your child knows how to contact you! Please let us know if your child has a food allergy that we need to plan for.

**High School kids encouraged to volunteer to help!**
