

Onawa Public Library

Incredible Bats!

Tuesday, June 9th @ 1:00 PM

“Plant a Seed, Read” is rooted in the concept of farm-to-table. A farm grows food that nourishes our bodies; a library grows ideas that nourish our minds. Both food and stories connect us to our family, culture, economy, and ecology.

Kim White from Incredible Bats will be visiting for a special informative program on bats! Learn about and interact with bats and other animals from around the world. Kim is trained by Bat Conservation International and Incredible Bats is certified by the USDA.

Incredible Bats will share their Egyptian fruit bats and African straw-colored fruit bats – this is a great opportunity to see them up close!

All ages are welcome to this summer program!
